Employee's Withholding Certificate

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay.

Give Form W-4 to your employer.

Your withholding is subject to review by the IRS.

2023**Step 1:**
Enter
Personal
Information

(a) First name and middle initial	Last name	(b) Social security number
Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .
City or town, state, and ZIP code		
(c) <input type="checkbox"/> Single or Married filing separately <input type="checkbox"/> Married filing jointly or Qualifying surviving spouse <input type="checkbox"/> Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		

Complete Steps 2–4 **ONLY** if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, other details, and privacy.

Step 2:
Multiple Jobs
or Spouse
Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

- (a) Reserved for future use.
- (b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**
- (c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate ☐

TIP: If you have self-employment income, see page 2.

Complete Steps 3–4(b) on Form W-4 for **only ONE** of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):		
	Multiply the number of qualifying children under age 17 by \$2,000 \$		
	Multiply the number of other dependents by \$500 \$		
	Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here	3	\$
Step 4 (optional): Other Adjustments	(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income	4(a)	\$
	(b) Deductions. If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here	4(b)	\$
	(c) Extra withholding. Enter any additional tax you want withheld each pay period . .	4(c)	\$

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2023 if you meet both of the following conditions: you had no federal income tax liability in 2022 **and** you expect to have no federal income tax liability in 2023. You had no federal income tax liability in 2022 if (1) your total tax on line 24 on your 2022 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2023 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2024.

Your privacy. If you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c).

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay income and self-employment taxes through withholding from your wages, you should enter the self-employment income on Step 4(a). Then compute your self-employment tax, divide that tax by the number of pay periods remaining in the year, and include that resulting amount per pay period on Step 4(c). You can also add half of the annual amount of self-employment tax to Step 4(b) as a deduction. To calculate self-employment tax, you generally multiply the self-employment income by 14.13% (this rate is a quick way to figure your self-employment tax and equals the sum of the 12.4% social security tax and the 2.9% Medicare tax multiplied by 0.9235). See Pub. 505 for more information, especially if the sum of self-employment income multiplied by 0.9235 and wages exceeds \$160,200 for a given individual.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

If you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2023 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b)—Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables.

- 1 Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 **1** \$ _____

New Jersey Residents

If you are a resident of New Jersey, you may claim exemption from Pennsylvania Personal Income Tax withholding by completing the attached form Employee's Statement of Non-Residence in Pennsylvania and Authorization to Withhold Other State's Income Tax (**Form REV-419 EX**).

Generally, Drexel University will not withhold New Jersey income tax from your paychecks, since the credit for income taxes paid for Philadelphia city wage tax, will offset any New Jersey tax liability on your earnings from Drexel. However, if you have income from other sources in New Jersey, you may still have a tax liability. If you still wish to have New Jersey income tax withheld from your pay, you must complete a Form NJ-W4 (which can be found at <http://www.state.nj.us/treasury/taxation/pdf/current/njw4.pdf>).

REV-419 EX
Employee's Nonwithholding
Application Certificate

(05-10)

PA DEPARTMENT OF REVENUE

Purpose. Complete Form REV-419 so that your employer can withhold the correct Pennsylvania personal income tax from your pay. Complete a new Form REV-419 every year or when your personal or financial situation changes. Photocopies of this form are acceptable.

Note: Unless the state of residence changes, residents of the reciprocal states listed in the next paragraph do not need to refile this application every year.

Who is Eligible for Nonwithholding? You may be entitled to nonwithholding of PA personal income tax if you incurred no liability for income tax the preceding tax year and/or you anticipate that you will incur no liability for income tax during the current tax year, according to the Special Tax Provisions of section 304 of the Tax Reform Code, the Servicemember Civil Relief Act (SCRA) or as a resident of the reciprocal state of Indiana, Maryland, New Jersey, Ohio, Virginia or West Virginia and your employer agrees to withhold the income tax from that state.

When to Claim? File this certificate with your employer as soon as you determine you are entitled to claim nonwithholding. You must file a certificate each year you are eligible (see Note above for an exception). If you are employed by more than one employer you must file a separate REV-419 with each employer.

Responsibilities of Employee. You must revoke this certification within 10 days from the day you anticipate you will incur PA personal income tax liability for the current tax year. To discontinue or revoke this certification, submit notification in writing to your employer. Claimants who qualify for complete Tax Forgiveness under section 304 of the Tax Reform Code must file a PA-40, Pennsylvania Personal Income Tax Return, and Schedule SP to claim Tax Forgiveness even if they are eligible for nonwithholding.

Under the SCRA, as amended by the Military Spouses Residency Relief Act, you may be exempt from PA personal income tax on your wages if (i) your spouse is a member of the armed forces present in PA in compliance with military orders; (ii) you are present in PA solely to be with your spouse; and (iii) you and your spouse both maintain the same domicile (state residency) in another state. If you claim exemption under the SCRA, enter your state of domicile (legal residence) on Line d below and attach a copy of your spousal military identification card and your spouse's current military orders to form REV-419.

Responsibilities of Employer. If you agree not to withhold PA tax because your employee is a resident of a reciprocal state, you must withhold the other state's tax.

Retain Form REV-419 with your records. You are required to submit a copy of this certificate

and accompanying attachments to the PA DEPARTMENT OF REVENUE, BUREAU OF BUSINESS TRUST FUND TAXES, PO BOX 280904, HARRISBURG, PA 17128-0904, when:

1. you have reason to believe this certificate is incorrect;
2. the PA taxable gross compensation of any employee who claimed either exemption from nonwithholding a or b below exceeds \$1,625 for any quarter;
3. the employee claims an exemption from withholding on the basis of residence in a reciprocal state (Indiana, Maryland, New Jersey, Ohio, Virginia or West Virginia) and therefore, you agree to withhold income tax of the employee's state of residence; or
4. the employee claims an exemption from withholding under the SCRA as amended by the Military Spouses Residency Relief Act.

Department's Responsibility. Upon receipt of any exemption application, the department will make a determination and notify the employer if a change is required. If the department disapproves the application, the employer must immediately commence withholding at the regular rate. Once a certificate is revoked by the department, the employer must send any new application received from the employee to the department for approval before implementing the nonwithholding.

Please print or type. A fill-in form may be obtained from www.revenue.state.pa.us.

- ☐ b. This year I expect to qualify for Tax Forgiveness of my PA personal income tax liability and expect to have a right to a full refund of all income tax withheld.
- ☐ c. I declare I am a resident of the reciprocal state checked below:
☐ INDIANA ☐ MARYLAND ☐ NEW JERSEY ☐ OHIO ☐ VIRGINIA ☐ WEST VIRGINIA
 and that pursuant to the reciprocal tax agreement between that state and PA, I claim an exemption from withholding of PA personal income tax and authorize my employer to withhold income tax for my resident state on compensation paid to me in the Commonwealth of Pennsylvania.
- ☐ d. I certify I am a legal resident of the state of _____ and am not subject to Pennsylvania withholding because I meet the requirements set forth under the Servicemembers Civil Relief Act, as amended by the Military Spouses Residency Relief Act.

Drexel University is committed to conducting its affairs in full compliance with the law and its own policies and procedures. Such adherence strengthens and promotes ethical and fair practices and treatment of all members of the University and those who conduct business with it.

While we have developed and implemented internal controls and procedures that we hope will deter and prevent improper conduct, there is an easy and confidential way for members of the University community to bring instances of suspected improper conduct to the attention of someone who can be counted upon to investigate the problem promptly and fairly, without any fear of retaliation.

The following hotlines may be used to report any improper conduct to the University's Chief Compliance Officers:

Drexel University: 866.358.1010 or https://secure.ethicspoint.com/domain/en/report_custom.asp?clientid=14030

This hotline was created at the specific direction of the Board of Trustees. Every report is kept completely confidential. No information likely to reveal your identity will be shared with anyone else without your permission. Reporters will be completely protected from retaliation for having made good faith reports. The Chief Compliance Officer is required to report quarterly to the Audit Committee of the Board of Trustees on all matters reported to the hotline and the actions taken in response.

If you are aware of any conduct--act or omission--which you think violates University policy, rule or regulation, you are encouraged to report them to your supervisor or teacher, your Department Head, your Dean, or a Vice President; or to use the hotline. We owe it to ourselves to make this the best place it can be.

Questions about the hotlines may be addressed to the Vice President and Chief Compliance, Privacy and Internal Audit Officer. Visit this [FAQ page](#) for more information.

Office for

Institutional Equity and Inclusive Culture

Welcome to Drexel University!

Drexel University is committed to providing to all qualified individuals equal employment opportunity and a welcoming, inclusive, respectful, engaging, and diverse work environment free from unlawful discrimination. The University specifically prohibits discrimination based on race, color, religion, national origin, gender, pregnancy, sexual orientation, gender identity and expression, age, disability, veteran status, and any other prohibited characteristic.

Information about the University's nondiscrimination policies and applicable federal, state, and local laws, and contact information for the University's Title IX Coordinator can be found on the [Office for Institutional Equity and Inclusive Culture's website](#).

Furthermore, Drexel University recognizes that diversity, equity, inclusion, and a sense of belonging are integral to its mission, vision, and values. We hold this conviction because we understand that:

- **Diversity is our strength.** It drives us to be more thorough in our intellectual examination of problems and solutions.
- **Inclusion is our value.** We understand that "inclusion" is not a single program or department, but an active and intentional process each member of our community must be engaged in every day.
- **Belonging fosters our innovation.** Without it, our individual campus community members are unable to fully participate in academic pursuits that are meaningful and authentic.
- **Equity is essential.** We recognize that historically, systems of resource allocation and support are fraught with systemic disadvantages, bias, and discrimination. We aim to correct this by actively engaging in resource and support reallocation in fair and equitable ways.

For more information about diversity, equity, inclusion, and initiatives at Drexel, or if you have questions or concerns related to equal opportunity, discrimination, harassment, sexual misconduct, or retaliation, please contact the Office for Institutional Equity and Inclusive Culture (EIC) at (215) 895-1405 or by email at eic@drexel.edu.

2. Your employer has posted in the departments of Human Resources and Risk Management at least six designated health care providers. Your employer shall pay for the reasonable and necessary treatment rendered by the referral provider for the work-related injury.
5. You have the right to seek emergency medical treatment from any provider, but subsequent non-emergency treatment shall be rendered by a designated provider for the remainder of the ninety (90) day period.
6. If one of the designated providers prescribes or recommends invasive surgery, you may seek and receive an additional opinion from any health care provider of your own choice. The charge for this consultation will be paid by your employer. If the additional opinion differs from the opinion provided by the designated provider, you may choose which course of treatment to follow: provided, however, that the second opinion includes a specific and detailed course of treatment. If you choose to follow the procedures designated in the additional or second opinion, such procedures shall be performed by one of the designated providers for a period of ninety (90) days from the date of your visit to the physician rendering the second or additional opinion.
7. With regard to all other treatment (i.e., that not involving invasive surgery), you have the right to seek treatment or medical consultation from a non-designated provider during the ninety (90) day period, but such services shall be at your own expense during the applicable period of ninety (90) days.
8. Following the first ninety (90) days of treatment with the designated physician or other health care provider, subsequent treatment may be provided by any health care provider of your own choice. You must notify your employer that your care has been transferred to a non-designated provider within five (5) days of your first visit to the non-designated provider of your choice. Your employer may not be required to pay for treatment rendered by a non-designated provider prior to receiving this notification. However, the employer shall pay for these services once notified, unless the treatment is found to be unreasonable by a Utilization Review Organization, under Subchapter C (relating to medical treatment review).

I hereby acknowledge that I have received this notice, and that I understand my rights and responsibilities as set forth herein.
